

**BONNIE HARWARD
EMPLOYEE OF THE MONTH**

AUGUST 2009

I would like to nominate Bonnie Harward for employee of the month.

Bonnie has been with the court for several years now and I believe she has been with the city for about 20 years. Bonnie comes to work every day with a positive attitude toward her co-workers. She is pleasant and deals with the public in a very professional manner. Bonnie has to field the phone calls from the potential jurors that are subpoenaed for jury duty and always handles their concerns with respect.

Bonnie is a supervisor and leads her team with calm support. She has great ideas about how to unify the court employees and is always planning special lunch events to boost morale.

Bonnie also has the huge task of balancing the monies handled by the court on a daily basis. As is Bonnie's style, she handles this job requirement with a great attitude.

For these reasons I believe Bonnie would make an admirable employee of the month.
